

TR Register Shropshire Group's Visit to Erddig Saturday 14th October 2023

Sitting on a dramatic escarpment above the winding Clywedog river, Erddig tells the 250-year story of a gentry family's relationship with its servants.

A large collection of servants' portraits and carefully preserved rooms capture their lives in the early 20th century, while upstairs is a treasure trove of fine furniture, textiles and wallpapers. Outdoors lies a fully restored 18th-century garden, with trained fruit trees, exuberant annual herbaceous borders, avenues of pleached limes and formal hedges.

Erddig's annual apple harvest celebration will see a host of activities held across two weekends in October. Enjoy the historic apple display, apple sales, longest peel competition, apple taster sessions, craft sessions and more. Purchase a drink from the cider bar or a delicious pork and apple bap.

The Hayloft Restaurant serves hot and cold food and drink, ice creams, cakes, and afternoon tea to sit in or take away. The parlour and tea garden are open during peak periods.

After visiting Erddig, we will go to The Boat at Erbistock for a meal. Dating back to the mid 17th century and probably much earlier this beautiful riverside inn has been welcoming and refreshing locals and passers-by for centuries. We will need to pre-order food.
