This year's Classic Nostalgia will take place over the weekend of 10<sup>th</sup> & 21<sup>st</sup> July. A stand has been arranged for the TR Shropshire Group for Sunday 21<sup>st</sup> July.

First used in 1905 and in continuous use ever since, Shelsley Walsh is the oldest motorsport venue in the world that still features its original course. Racers will be following in the wheel tracks of motorsport greats such as Raymond Mays, Hans Stuck and the late Stirling Moss. As part of his long association with the venue, Moss was patron of the Shelsley Trust, which helped to secure the 99-year lease on the hill climb.

Shelsley's Classic Nostalgia weekend is a highlight in the UK's motorsport calendar with the very best racing cars, vintage specials, garden party atmosphere and track action with Rally cars and - just cool cars from all eras as anything goes! A relaxed meeting with lots going on away from the track too. So, there should be something for everybody.

If you haven't already pre-booked your tickets, you will need to do so. Go to:

[www.classicnostalgia.co.uk](http://www.classicnostalgia.co.uk)

and click on "Buy Tickets". You should select "Car Clubs" and when completing the order please use the club dropdown menu to specify "TR Register Shropshire Group".

We will have a short informal run to the event of approximately 24 miles (45 mins). This will take us from the Ludlow Food Centre to Shelsley Walsh. Or you could meet us there - gates open at 8am. There will be a Club Stand - look for the banner from about 10:45 on.
